NAME:	
A. Read the passage and answer the following questions.	
<p>The wind and the sun were arguing one day about who was stronger. Suddenly they saw a traveler coming down the road. The sun said, "I know how we can decide who is stronger. Whichever of us can make that traveler take off his cloak shall be regarded as more powerful one,". The wind tried first .It began to blow as hard as it could upon the traveler. But the harder he blew the more closely did the traveler wrap his cloak round him, till at last the wind had to give up. Then it was the sun's turn. The sun shone in all his glory upon the traveler , who soon found it too hot to walk with his cloak on. The traveler took off his cloak and headed towards the nearest tree for shelter.</p>
