Dear Students,  
STD-1to8

Just like a mother, a father has a crucial role in a child's life. If a mother soothes your bruises, a father teaches you how to always get up and keep going.

Fathers usually do not get much of emotional limelight but it's important to not only acknowledge for everything they do for us but also show gratitude towards them.

This Father's Day, let the fathers unwind a bit and put their dancing shoes on.

Let them Show some moves and surprise you.

To make the fathers groove on the new trend, Scholar's High organises an Online Dance Competition for fathers "MOVE IT WITH DAD" .
